

TOWER CRANE TECHNICIAN

Reds Global is a leading materials handling company specialising in Tower Cranes and Labour Hire. We are excited to be able to offer a unique opportunity to work with a highly experienced team of innovative thinkers in a fast paced, challenging work environment.

Reds Global is a company that prides itself on safety, people and culture; we are looking for technical experience along with attitude and dedication.

We are looking for members who are in it for the long haul and are prepared to advance, hone and develop their skills to achieve sensational results for both themselves and the company.

The role entails:

- Erecting, operating and dismantling cranes and other equipment on site
- Maintaining, repairing cranes and auxiliary equipment
- Attending to crane breakdowns
- Diagnosis of electrical and other faults in tower cranes and mechanical faults
- Refurbishment and preparation of cranes for subsequent projects
- Dismantling of tower cranes and storage of electrical and other equipment
- Handling client relationships

We want to talk to you if you possess the following:

- Electrician Licence
- Current Drivers Licence
- Construction White Card
- Safe Working at Heights
- Experience in a similar role preferred

Primarily you will be based at the Reds Global Depot in Somersby on the Central Coast. Our current workbook is predominantly in Sydney which may require travel to from time to time.

It is a requirement that all employees of Reds Global undertake a medical assessment and provide a police check.

To apply you need to complete the pre-employment questionnaire at the bottom of the Reds Global Careers Page and attach your CV
