

## Seeking a passionate and enthusiastic Design Draftsperson

Reds Global is an industry leader in the supply of Tower Cranes and Personnel to the Construction Industry. We service major construction projects in several states around Australia and we are seeking a Design Draftsperson to work in a small close-knit team environment. The role is based at our head office, located at Somersby on the Central Coast of NSW.

### About the role

We are seeking a Design Draftsperson to join our team. The role involves working closely with many people internal and external to the business and your work will be presented to our clients and used as part of operational collaboration. Reds Global values safety above all and expect high levels of presentation in your work. You will be required to communicate confidentially to a broad range of people and manage your time effectively to meet project deadlines.

- Liaise with external engineers and various internal staff
- Compile site radius plans and elevations for projects
- Create detailed methodologies for carrying out rigging works in collaboration with team members
- Design drafting of various structural and mechanical lifting items
- Ensure compliance with manufacturers requirements and Australian Standards
- Ensure effective document control and filing
- Ability to work to deadlines
- Work on multiple projects simultaneously

### Your attitude will be one of:

- Professional, proactive and self-motivated
- Desire to be a team player
- Keen learner

### Your skills and experience will consist of:

- Tertiary qualification in Engineering is favourable but not essential
- Extensive working knowledge of AutoCAD
- Preference for 3D drafting with AutoCAD or Inventor
- Natural problem solver
- Work demonstrates high standards of presentation and attention to detail
- Solid verbal and written communication skills

A competitive salary is on offer for the successful candidate as well as education and training. If you feel that you would excel working for Reds Global in this role, please send your resume to [admin@redsglobal.com](mailto:admin@redsglobal.com) for consideration. Only candidates offered an interview will be contacted.
